**Subject:** DTSC News Feed

DTSC News Feed is a weekly email that pulls together short updates and internet links to keep you informed about the latest accomplishments and news highlights at the California Department of Toxic Substances Control (DTSC).

## May 21, 2015

- DTSC recently approved the Carson stadium land sale as part of the oversight of the site cleanup. With the land transfer, the San Diego Chargers and Oakland Raiders complete another step in building a proposed \$1.7 billion joint-use football stadium.
- Dirty cars get sparkling clean on a site of former automotive business where DTSC had oversight of the cleaned up.
- Coverage over the nail salon industry continues. See the editorial from The Sacramento Bee.
- Check out the latest numbers on the cleanup of residential properties near the Exide Facility in Vernon.
- Watch DTSC's video to learn how employees at CalEPA celebrated Earth Day by taking their children to work.

Archived versions of DTSC News Feed can be found on the department website.
